Welcome

We are glad that you have chosen to be part of the largest non-formal youth education organization in the United States! Over 7 million youth participate in 4-H each year to become self-motivated, productive and contributing citizens.

4-H is designed to be a family affair so 4-H parents are encouraged to get involved in the 4-H experience. Ways that 4-H parents can contribute range from serving as a project leader to providing transportation to activities, or even supplying refreshments for meetings or special events. 4-H parents are also needed to supervise 4-H activities.

Coryell County has an outstanding group of dedicated adult volunteer leaders as well as a superb group of motivated 4-H members. We welcome your family into our Coryell County 4-H family!

Please feel free to contact the Coryell County Extension Office, or visit our website at <http://coryell.agrilife.org> for more information about the county 4-H Program.

Best wishes for a fulfilling year in 4-H! We look forward to seeing you at events throughout the year.
